

An illustration of a man in a brown jacket and blue shirt sitting in a train car, talking on a mobile phone. He is looking out a large window at a cityscape with a prominent white tower, possibly the Transamerica Pyramid, under a bright sky. The train car has orange and blue seats and tables. The overall style is painterly and vibrant.

That voice on the phone
**might not be
human.**

AI can clone a voice from seconds of audio.
Hang up and call back on a known number before you act.
